GOVERNOR CLEGHORN

WELCOME TO YASHIRO.

Handaja, as the first port of this carpost of America, with have the pleasure this morning of websiming to the United States a gallier America for the first time. The welcome Honolubi will give will be a subserve one, an earnest of the friendship of the great country we are so often called a underupon to represent. Between America and Japan are ties of friendships be muchdars. tween Japan and this Territory of the United States are still closer ties, be 12; ii , H. HEALTH OF HAWAII INVOLVED.

There is much more than politics contained in the immigration issue of involved in the matter of assisted imaggration or no assisted imaggration multiwar health and welfare of the whole people of Hawaii.

Only Ryan of Hilo has the temerity to state that there is any possibility Nagavasar, payr of the flood of Filipine immigration being checked in the event of the control assistant t legislature by the antifmudgrationists, and Ryan is hardly the lamura the people of this city will place any great degree of fighth. when he is shoulding from somphox or platform. There is no way, expressed intention of sending twenty thousand Phiphaes to Hawali if they are able to and are forced to get that many. If the local leg-dature in the session of 1911 should repeal the present intrigration law, the planters would

IWe want to call attention to a new stock of silvermounted and plain handled silk umbrellas which we have but recently received. They represent the finest products in unbrellas and are made to wear as well as look good.

The prices are moderate and the assortment is a large one.
